WE PRESENT

The Echo

KIRBY HIGH SCHOOL
WOODVILLE, TEXAS

1958

..... Our School Life

FOREWORD

The 1958 Echo records in pictures the student life of Kirby High School at work and play.

Whether it was yelling at pep rallies, planning and attending our school parties, or just going to class, life at school was never dull. We shared together the happy school days.

All these things and many more remain among our cherished memories.
